SECRET

Honorable Allen W. Dulles
Director of Central Intelligence
Washington 25, D. C.

Dear Mr. Dulles:

Reference is made to your secret communication dated August 8, 1956, concerning the case of [redacted] in which you urge the concurrence of the Attorney General in your proposal to have the above-named alien admitted for permanent residence in the United States in accordance with the provisions of Section 8 of the Central Intelligence Agency Act of 1949.

STAT

I have reviewed carefully the information forwarded by you in this connection, as well as the information made available by the Federal Bureau of Investigation in response to the name check request made by the Immigration and Naturalization Service. As a result of my review of the information made available by the Bureau, which information I assume has been made available to you, I am reluctant to concur in your recommendation that [redacted] be admitted for permanent residence under Section 8 of the Central Intelligence Agency Act of 1949, absent additional data which would explain the information contained in these reports or which would indicate that, notwithstanding the contents of these reports, there exist overriding considerations of national security which make imperative his admission for permanent residence under the above Act.

STAT

I shall be happy to request Mr. Tompkins to review this case personally on his return. In the meantime, I would be

Respectfully,

For the Attorney General
